Tribolet Advisors, LLC, in its capacity as Plan Administrator ("Plan Administrator") in the above-captioned bankruptcy cases (the "Cases"), hereby files this *Objection to Administrative Claims Asserted by Overwatch Surveillance LLC* (the "Objection"), and respectfully states as follows in support thereof:

### **SUMMARY OF OBJECTION**

1. On November 23, 2022, Overwatch Surveillance LLC (the "Claimant") filed two (2) proofs of claim seeking allowance and payment of qualifying administrative expenses under section 503(b)(9) of title 11 of the United States Code (the "Bankruptcy Code") for services allegedly provided during the 20-day period preceding the Petition Date in the total sum of \$9,369.40.

2. According to the documentation attached to the proofs of claim as well as the Debtors' books and records, the Claimant provided security services to one or more of the Debtors prior to the Petition Date.

3. The Plan Administrator hereby objects to the administrative portions of Claimant's claims because the supporting materials and the Debtors' books and records confirm that such claims are based on services, not goods, and therefore do not qualify for administrative treatment under § 503(b)(9).

4. In support of this Objection, the Plan Administrator submits the *Declaration of Michael Tribolet, Managing Member of Tribolet Advisors LLC, in Support of the Plan Administrator's Objection to Administrative Claims Asserted by Overwatch Surveillance LLC* (the "Tribolet Declaration"), attached hereto as **Exhibit 1**.

### **JURISDICTION AND VENUE**

5. The United States Bankruptcy Court for the Southern District of Texas (the "Court") has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). The Plan Administrator confirms its consent, pursuant to Rule 7008 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), to the entry of a final order by the Court. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

### **BACKGROUND**

#### **A. Case Background**

6. On September 22, 2022 (the "Petition Date"), each of the above-captioned debtors (the "Debtors" and, as of the effective date of the Plan, the "Reorganized Debtors") commenced a chapter 11 case by filing a voluntary petition for relief in this Court under chapter 11 of the Bankruptcy Code.

7. On February 16, 2023, the Court entered an order confirming the *Third Amended Joint Liquidating Chapter 11 Plan of Mining Project Wind Down Holdings, Inc. (f/k/a Compute*

*North Holdings, Inc.) and Its Debtor Affiliates* (the “Confirmation Order” and “Plan”, respectively).<sup>2</sup>

8. The effective date of the Plan (the “Effective Date”) occurred on March 31, 2023.<sup>3</sup>

9. The Plan Administrator is governed by the Amended Plan Administrator Agreement (the “Plan Administrator Agreement”).<sup>4</sup> Pursuant to the Plan, Confirmation Order, and Plan Administrator Agreement, the Plan Administrator is tasked with, among other things: (1) serving as the sole manager, director, and officer of the Reorganized Debtors as of the Plan’s effective date; (2) implementing the Plan and any applicable orders of the Court; and (3) reconciling and resolving claims asserted against the Reorganized Debtors’ estates.<sup>5</sup>

10. The Plan Administrator, its counsel, professional advisors and consultants, including but not limited to Grant Thornton LLP (“Grant Thornton” and collectively, the “Reviewing Parties”) are diligently reviewing the administrative claims filed in the Bankruptcy Cases, including the proof of claim filed by Claimant, the claims register, the Debtors’ books and records, and the supporting documentation provided by the Claimant, if any.

**B. Claimant’s Administrative Claims**

11. On November 23, 2022, Claimant filed proof of claim number 10133 (the “First Proof of Claim”) in the Compute North LLC bankruptcy case, asserting an administrative claim under section 503(b)(9) of the Bankruptcy Code in the amount of \$6,813.40 and a general unsecured claim for \$40,366.29.

12. On November 23, 2022, Claimant filed proof of claim number 10137 (the “Second

Proof of Claim” and, together with the First Proof of Claim, the “Proofs of Claim”) in the Compute North SD, LLC bankruptcy case, asserting an administrative claim under section 503(b)(9) of the Bankruptcy Code in the amount of \$2,556.00 and a general unsecured claim for \$12,293.89.

13. According to the Proofs of Claim, the expenses incurred by Claimant during the 20-day period preceding the Petition Date consist of security services, including certain rental services.

### **ARGUMENT**

14. Claimant is not entitled to payment on an administrative claim basis and the administrative portions of the Proofs of Claim should be reclassified, because the Proofs of Claim represent debt for services provided to the Debtors rather than goods, as required for eligibility under § 503(b)(9).

15. The Bankruptcy Code is clear that the application of administrative priority under section 503(b)(9) is limited to claims for goods sold. 11 U.S.C. § 503(b)(9) (“the value of any goods received by the debtor . . .”); *In re Pilgrim’s Pride Corp.*, 421 B.R. 231 (Bankr. N.D. Tex. 2009) (distinguishing between goods and services for purposes of applying § 503(b)(9)). Thus, a creditor who provided services to the Debtors during the 20-day period preceding the Petition Date is not entitled to an administrative claim under § 503(b)(9).

16. The invoices attached to the Proofs of Claim reflect that the Claimant was providing security services for Compute North LLC and Compute North SD, LLC. In addition, the Debtors accounted for Claimant’s services in the general ledger as “On-Site Security Services”. *Tribolet Declaration* at ¶ 4.

17. Based on the information in the Proofs of Claim, Claimant has failed to show a basis for awarding administrative priority. The Plan Administrator is not aware of any independent basis for administrative priority. Therefore, the Plan Administrator requests that the administrative

portions of the Proofs of Claim be reclassified to general unsecured status, without prejudice to the Plan Administrator's ability to object to the Proofs of Claim on any other grounds at a later date.

### **RESERVATION OF RIGHTS**

18. This Objection is limited to the grounds stated herein. The Plan Administrator expressly reserves the right to amend, modify, and supplement this Objection, and the right to respond to any assertion regarding Claimant's claims. The Plan Administrator further reserves all rights to present any evidence at a designated hearing for this proceeding to support its Objection and to disprove any future assertions that may be brought by Claimant. The Plan Administrator reserves the right to contest the Proofs of Claim and any other claims asserted by Claimant on any other grounds. Nothing herein shall constitute an admission as to the amount, priority, or validity of any claims asserted by Claimant.

### **CONCLUSION**

19. The Plan Administrator respectfully requests that the Court enter an order, substantially in the form attached hereto (i) reclassifying the administrative portion of the First Proof of Claim to a general unsecured claim, such that the First Proof of Claim consists of a wholly general unsecured claim in the Compute North LLC bankruptcy case in the amount of \$47,179.69; (ii) reclassifying the administrative portion of the Second Proof of Claim to a general unsecured claim, such that the Second Proof of Claim consists of a wholly general unsecured claim in the Compute North SD, LLC bankruptcy case in the amount of \$14,849.89; and (iii) granting such other and further relief as is appropriate under the circumstances.
